**SUBJECT** : **Suspension of redemption of UCITS and AIF units on 24 December 2020**

---

The Cyprus Securities and Exchange Commission (the “CySEC”) wishes herein to inform Regulated Entities that redemption of UCITS and AIF units is suspended for the 24 December 2020. It is provided that the suspension refers to UCITS and AIFs that hold assets in transferable securities listed in regulated markets and whose net assets are calculated on a daily basis.

CySEC reached to the above after taking into consideration the following:

1. The provisions of article 20 of the Open-Ended Undertakings for Collective Investment (UCI) Law (the “UCI Law”) which states that: *“The Securities and Exchange Commission, in exceptional cases and in the unit-holders’ interest, by virtue of a decision and at its initiative, may suspend the redemption of UCITS units.”*
2. The provision of article 43(3) of the Alternative Investment Funds Law (the “AIF Law”) which states that: *“... the Securities and Exchange Commission may:*
  - (a) *decide, as long as it considers that it is to the investors’ interest or the safeguarding of the proper functioning of the market, the suspension of the redemption or repurchase of AIF units, when the provisions of the applicable legislation or of the fund rules or of the instruments of incorporation of the AIF are not complied with or any other agreements that govern its function...”*

3. The fact that the 24 December 2020 is a full or part – day public holiday in most international stock markets.
4. The need to safeguard the interests of unit-holders of UCITS and AIFs and the proper functioning of the market.

It is noted that the obligations under article 20(2) of the UCI Law and article 43 of the AIF Law continue to apply.

Yours sincerely

Demetra Kalogerou  
Chairman of the Cyprus Securities and Exchange Commission
