[ESMA Guidelines for the assessment of knowledge and competence](#) published in January 2017, specify the criteria for the assessment of knowledge and competence that the persons engaged in the provision/carrying out of investment services/activities should possess in addition to their registration in the Public Register.

Annual renewal of the Registration in the Certification Registers

In accordance with Paragraphs 17(1) and 17(2) of the Directive:

“(1) Registered persons shall be obliged to renew their registration in the certification register within two months from the end of each calendar year.

.....

(2) Registered persons shall be deemed to have renewed their registration when they:

(a) submit to the Commission a statement of continued professional training on topics that fall within the relevant legislative framework which applies to them and which relates directly to the duties which they will undertake as part of their certification, of a duration of:

- i. ten (10) hours for persons registered in the public register for the basic examination,*
- ii. fifteen (15) hours for persons registered in the public register for the advanced examination,*
- iii. ten (10) hours for persons registered in the public register for AML compliance officers,*

for the preceding year of the renewal.

It is provided that, a person that registers for the first time to the public register and/or the AML compliance officers register during the preceding year of his renewal, is not obliged to complete the hours of continued professional training of the sub-paragraph (2)(a) for the renewal of this certain registration.

(b) pay to the Commission an annual renewal fee of eighty euro (€80).”

It is noted that the renewal procedure is performed only online and only during the first two months of each calendar year.
