

CYPRUS SECURITIES AND EXCHANGE COMMISSION

TO : All Cyprus Stock Exchange Members
FROM : Cyprus Securities and Exchange Commission
DATE : 20 December 2006
CIRCULAR No. : M(2006-01)
FILE No. : E.K. 6.1.14
SUBJECT : Order Input with wrong OASIS number

With the present circular we ask you not to correct the OASIS codes except in circumstances where a wrong code was actually entered and not in any other cases (for example, in order to avoid the violation a different code is entered when it is determined that a trade was made in a closed period).

In another case we will consider that, with the submission to the Cyprus Securities and Exchange Commission ('the Commission') of the amendments archive with the explanation 'wrong input', you are submitting false information to the Commission.

Sincerely

Georgios Charalambous
Cyprus Securities and Exchange Commission Chairman
